BRIO®
ELEVATORS

India's Most Trusted & Loved Elevator Brand

Why Choose BRIO

With 25+ years of real estate legacy, **Brio Elevators** was built on a deep understanding of architecture, lifestyle, and functional design. Evolving from an in-house B2B solution to a trusted B2C brand, Brio blends German engineering, Italian craftsmanship, and Indian adaptability.

Backed by **European safety compliance (MD 2006/42/EC & EN 81-41) and CE certification,** every elevator delivers whisper-quiet performance, unmatched safety, and personalized elegance. With 500+ residential installations and a 100% customer satisfaction rate, Brio stands for innovation, precision, and trust.

The Home and Mobility Series combines Italian design with advanced technology to elevate everyday living. With 5 Experience Centres across India and an international presence in Malaysia and Dubai, Brio's growth and global reach are rapidly accelerating.

From
200+ member team and a
150+ Crore brand
with service centres across
100+ cities,
Brio continues to set new benchmarks in design, safety, and reliability globally.

Their Smiles Deserve Uncompromised Safety

Primary ARD-
Brings the lift safely to the nearest floor during power cuts.

Secondary ARD-
Extra backup for uninterrupted safety.

UPS with Dual Battery-
Ensures smooth Auto Rescue even if both ARDs fail

Emergency Key opening at every door -
To get back to the safe place and be rescued

Manual Pull Lever -
Ensure Rescue even if electric / electronics fail

EXCLUSIVE
BRIO FEATURE

BRIO Secure Lift SOS -
Instant Alerts to 5 Preset contacts via SMS & Call, works without internet and electricity for guranteed emergency help.

BRIO ELEVATOR HOME LIFT SERIES

Brio's Home Lift Series is designed with advanced sensors and multi-layer protection, ensuring complete safety for kids and pets. Every ride is secure, smooth, and worry-free for the whole family.

NO PIT / MACHINE ROOM
Our Home elevators do not require a pit of more than 150 to 250mm

NO AMC
Our patented technology allows our client to feel absolutely safe without routine maintenance

NO HEAD ROOM
Headroom is meant for commercial elevators. We require an FFL- Ceiling of only 2500mm

NO GOVT. LICENSE
No government license is required as we consume only single phase electricity power

Elevate Your Experience With
ADVANCED FEATURES

- Customised Product
- Imported from Italy
- 360 Degree Panoramic View
- No Civil Work
- Just Plug & Go
- Stand Alone Structure
- Connects to Any Electrical 230v Outlet
- Advanced Technology
- Compact, Quiet and Easy to Install
- Architect Friendly
- Reduced Maintenance Costs
- Eco - friendly
- Custom Interior Cabin with Expert Suggestion
- Power Consumption Like Half Ton AC

Enhanced Safety

Advanced Authentication

Biometric, RFID, and numpad access ensure only authorized users can operate the elevator.

Staged Safety Gear

Dual safety gears and governor systems provide controlled, secure stops during overspeed.

Multi-Beam Light Curtains

Criss-cross infrared sensors detect even the tiniest obstacle, keeping doorways safe.

Power Failure Rescue

Automatically moves the elevator to the nearest floor during power cuts for safe exit.

Advanced Door Control

Smooth, silent V3F operation with anti-squeeze tech and E120 fire-resistant doors.

Grease-Less Rails

Self-lubricating rails reduce friction, dust, and wear for clean, low-maintenance rides.

Fault Detection & Reporting

Smart alerts and auto-response systems prevent entrapment and enhance safety.

Integrated Controller

Sophisticated VVVF + PWM tech ensures top performance with energy efficiency.

Magnetic Controls

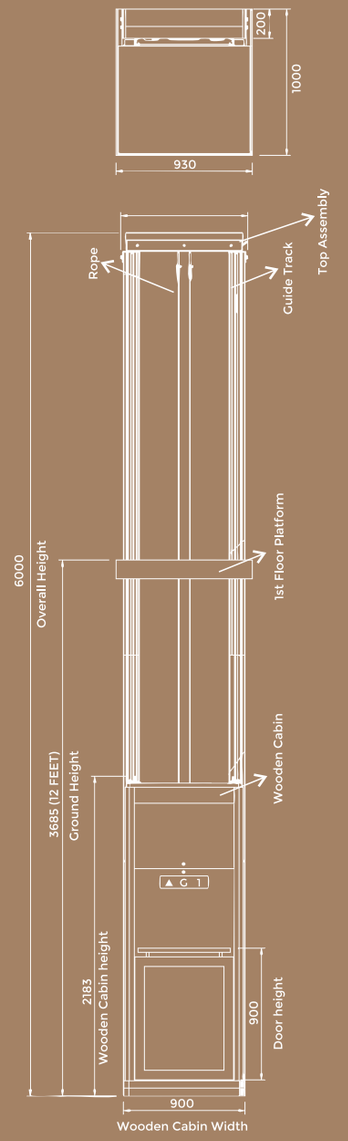

Electronic magnetic systems enable precise, silent rides and future-ready upgrades.

BE-50

TECHNICAL SPECIFICATIONS

- **Drive :** Gearless Motor Drum Type
- **Power Supply :** 220-240v AC
- **Maximum Load :** 150kg
- **Maximum Travel :** 12 Feet
- **Travelling Speed :** 0.15 m/s
- **Warranty :** 1 Year Parts
- **Rope Diameter :** 6mm Galvanized Steel Rope
- **Additional Sensors :** Out-of-balance & overload, over-speed detection
- **Lighting Type :** Profile LED
- **Landing Call Stations :** 2 Wireless remote control units - call / send facility
- **Configuration :** Single Entry
- **Installation :** Indoor
- **Call From / Call Button :** One Touch Operation

(G+1)

Effortless Elegance, Smartly Engineered

ASTRA 50

Space, floor, and budget constraints inspired our research to create a perfect solution — ASTRA 50.

Astra 50 is expertly designed for narrow spaces and retrofits, installing in just 2–3 days without major renovations. It offers easy mobility and customizable finishes, blending luxury, comfort, and functionality in a compact design.

- ### Whisper-Quiet Luxury
  Astra 50 glides with a PMSM motor, delivering smooth, silent rides without noisy hydraulics.
- ### Quick & Seamless Installation
  Modular design allows setup in just 1–2 days, with no major renovations required.
- ### Simple Power, Smart Convenience
  Plugs into a standard 15 Amp / 220 VAC socket, just like any home appliance.
- ### Perfect for Compact Spaces
  Lightweight and stylish, Astra 50 fits where others can't – ideal for space-constrained homes.
- ### Dual-Support Stability
  A self-supporting frame with dual parallel guides ensures unmatched balance and strength.

HYDRAULIC LIFT

Brio Hydraulic offers advanced hydraulic technology with 194 safety parameters for unmatched reliability.

Fully imported from Italy, it meets the highest safety and quality standards. Experience superior engineering designed to keep you safe and elevate your lifestyle.

BE-100

Brio Elevators — More Than Machines

At Brio, we know an elevator isn't just a comfort machine – it becomes part of your family.

We understand this deeply – that's a pride we share with you.
Our sales team's pride isn't in contracts – it's in building genuine relationships and lasting bonds.
Our production team's pride isn't measured by paperwork – it's built on credibility that stands the test of time.

A pride in our growth. A pride in our technology. A pride in our safety features .A pride in our cabin designs. A pride in our strength.

Grounded. Trusted.
Timeless. Proud.

BI-200

GEARLESS ROPE DRIVE

BRIO Gear Less unique traction lift solution that complies with lifts Directive 2014/33/EU.

Installation can be customised to any architectural need and design, even special and challenging projects. It is an elegant and truly convenient solution, allowing for perfect fitting within any existing or new building.

Suspension	2:1
Machine Room	Rope Home Lift
Technical compliance:	Machinery Directive 2014/33/EU EN81-41
Drive system:	Gearless with Rope drive
Max Car Travel (m)	14

B-300

GEARLESS BELT DRIVE

At Brio, we believe an elevator isn't just about moving between floors – it's about how it makes you feel every time you step inside.

That's why we introduced **India's First Next-Gen Grooved Belt Series,** blending cutting-edge engineering with world-class aesthetics to create an experience that make every journey feel premium.

GROOVED BELT MODEL

We use a Grooved Belt & Grooved Pulley–not flat.
And here's what that means for you:

No Slipping
The grooves lock in, just like gears.

Whisper-Quiet Operation
The grooves lock in, just like gears.

Energy Efficient & Sleek
Fits into smaller spaces, saves power too

Longer Life, Lower Maintenance
More peace of mind.

Stable & Smooth Ride
No jerks, even at high speeds or with more people inside.

Brio's Patented CantiGlide™

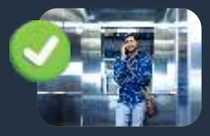

Patented Suspension Stability :
Engineered cantilever design virtually eliminates cabin wobble for unmatched smoothness.

Rock-Solid Ride Comfort :
Precision load balancing ensures jerk-free, luxurious movement at speeds up to 1 m/s.

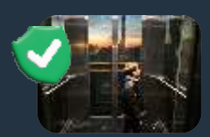

Extended Lifespan & Reliability :
Reduced structural stress means longer-lasting components and lower maintenance costs.

Bigger Cabins, Compact Shafts :
Supports spacious cabins in space-saving designs without compromising stability.

Built for Modern Living :
Delivers premium ride quality and safety without the need for a pit or machine room.

Uncompromising Safety :
Designed to exceed international safety standards, giving you complete peace of mind.
